# Women's \$25, \$30, and \$35 Spring Suits

## Sale Price, \$13.75

We've accomplished some notable things in suit selling this season, as hundreds of Washington women can testify—but the sale we inaugurate to-morrow is the most remarkable suit event it has been our good fortune to offer for a long while. This purchase represents a suit manufacturer's line of spring samples and surplus lots, which we managed to secure at a very low figure—so low in fact, that we can name a sensationally small price for the smartest and most attractive tailored models brought out this season.

To describe the style and materials is to tell you of the newest and most fashionable styles designed for spring and summer. They are fashioned with particular care and in the cleverest tailored fashion of the following fabrics:—

**HANDSOME FANCY MIXTURES, RICH IMPORTED SERGES,**

**NOBBY ENGLISH SUITINGS, DRESSY SCOTCH SUITINGS.**

Newest style jackets, in various lengths. Box coats, cutaways, four-button effects, some tailored along severe lines, others trimmed in various designs. Some are in the popular sailor collar effect, with black satin collars.

Correct model skirts, in plain, tight fitting styles; also various plaited and flounce effects and modified "Hobble" styles.

Choice of handsome spring shades, including violet, fancy gray, black and white, tans, blues, Copenhagen, brown, mode, artichoke, blue and white, gray stripe, navy blue, and plain black.
